... A Home Inspection Company that GUARANTEES its work... with the best money back offer in the entire industry.

Let me start off by making you a BIG Promise. If we inspect your home and you are not 100% satisfied with our inspection

We will SEND YOU A CHECK for \$500.00

After 15+ years in the Home Inspection Business I've seen many fly-by-night Home inspectors come and go. I feel sorry for the homebuyers that are victimized by these unscrupulous operators.

I am so confident in our inspections that I'm willing to put my money where my mouth is. As far as I know, this is the only home inspection guarantee like this.

You see, I understand this is an important step in your life. This guarantee is just one more way to demonstrate my desire and commitment to meet and exceed your expectations. Also, I want to ensure you have an enjoyable real estate experience.

This guarantee applies for a pre purchase single family home inspection only and no other service.

Easy to meet limitations and qualifications to the \$500 dollar Money Back Guarantee:

- 1) Client must be personally present during the entire inspection.
- 2) The \$500.00 check will be paid to the person who originated the fee payment
- 3) A signed and witnessed release from liability form must be received to initiate the above process. This is mailed to you after we receive your request form and fully executed contract of sale on the home signed by both parties and postmarked within 3 days of the inspection.
